# Dispatcher, Curier

## Despre mine

I am a patient, resourceful and understanding person with quick problem solving skills and a proactive attitude to challenges. I adapt easily and am always willing to learn new techniques and procedures in order to work as efficiently as possible. I want to develop into a Dispatcher role on a truck or courier, aiming to optimize activities and improve work flow. I am motivated to contribute to the success of the team and grow in this job as I gain experience.
